

Black Moon Rising "The Scorpion King"

Visit "[The Scorpion King](#)" on MotoLyrics.com

From the desert plains
Where all death remains
He rides the dust Â– He rides the time
The unholy one
The forgotten son
He will rise again when the moons align

Rise Â– for the scorpion King
Fight Â– for the scorpion King
Die Â– for the scorpion King
HeÂ’s rising Â– All dyingÂ…
Rise Â– for the scorpion King
Fight Â– for the scorpion King
Die Â– for the scorpion King
HeÂ’s rising Â– All dyingÂ…

(Insert drunken Iron Maiden styled gang chant)

Rise Â– for the scorpion King
Fight Â– for the scorpion King
Die Â– for the scorpion King
HeÂ’s rising Â– All dyingÂ…
Rise Â– for the scorpion King
Fight Â– for the scorpion King
Die Â– for the scorpion King
HeÂ’s rising Â– All dyingÂ…
