Mr. Spin Cycle
This is his story
Mr. Spin Cycle
Spinning into glory

Married Mrs. Dryer
Laundromat liar
Pinned up against the wall
Torturing dirty clothes
Starching and cutting holes
Pretending he did nothing at all

Mr. Spin Cycle
This is his life
Mr. Spin Cycle
This is his wife

Raided a laundromat
Called the owner "fat;"
And then drove off in his car
A yellow dryer
Driving like fire
Drove to someplace real far

Mr. Spin Cycle
This is his death
Mrs. Dryer
Ran out of breath

Spin Cycle was spinning
But the clothes were winning
Tying themselves up in knots
The motor was straining
And started refraining
Spin Cycle was finally stopped
