global collapse / boom ... / Bertha Champagne / Iâ€™m
really pissed and I
canâ€™t think of anything else except the lies / well I
donâ€™t mind a few spies
but this / global collapse / boom ... / Bertha Champagne
/ so much to
gain that itâ€™s crushing in my brain / another cut
against the grain / Bertha
Champagne / a mistake perhaps / so I canâ€™t think of
anything else except
the prize ... / directions on the secret maps / all thatâ€™s
left are table
scraps / Bertha Champagne ... / meanwhile in another
frame / global
collapse / only time for power naps / no more time for
practice laps
