I feel like a mossy rock / not making an elephant out of
a fly / there'd be
no escape if it wasn't for the acciñ / still it was touch
and go / rap on a
tree, the knocks reaction / how would I know /
prohibition property tax'n
/ hoe yer own row / I feel like a mossy rock ... / all I see
is your face / I
am trapped in a place / where I once said I couldn't be
trapped in ... / ...
hey, no offence but this is a distraction / god only
knows / I feel like a
mossy rock ... / ... a narrow escape rapid action / it was
touch and go ...
