Whoa whoa she's falling in this night trance falling in
this night trance Whoa whoa she's falling in this night
trance falling in this night trance

Lost her lost her in the shades of grey lost her lost her
(lost her lost her)

Cross her cross her "x" across her face cross her
cross her (cross her cross her)

Taking chances drunken night glances falling in this
night trance falling in this night trance ballroom tragics
black and white trances falling in this night trance
falling in this night trance

Lost her lost her in this backwards game lost her lost
her (lost her lost her)

Toss her toss her through this window pane toss her
toss her (toss her toss her)

Taking chances drunken night glances falling in this
night trance falling in this night trance ballroom tragics
black and white trances falling in this night trance
falling in this night trance

Taking chances drunken night glances falling in this
night trance falling in this night trance ballroom tragics
black and white trances falling in this night trance
falling in this night trance

Taking chances drunken night glances ballroom
tragics black and white trances

Taking chances drunken night glances ballroom
tragics black and white trances

Taking chances ballroom tragics drunken night
glances black and white trances

Taking chances ballroom tragics drunk night glances
black white trances

Taking chances ballroom tragics drunk night glances
black white trances

Whoah whoah

Taking chances drunken night glances falling in this
night trance falling in this night trance ballroom tragics
black and white trances falling in this night trance
falling in this night trance
