Sights keep flashing through this night she's fading  
black and white will she know I'm crushing filling  
flooding spilling lights keep flying binding like you're  
all alone tonight can she tell I'm drowning spacing  
counting lacing

Draining through this champagne keeps flooding  
fainting fearless insane sights cutting will she  
reconnect will she reconnect

Miss connection downing operatic sparks lights out  
fading wishing waiting miss connection drowning  
symptomatic hearts lights out dazing dislocating time  
keeps masking (all that I know) all I'm asking (is why I'm  
alone) miss connection lights out fading wishing  
waiting lights out dazing dislocating

Race racing through these automatic nights of static  
taste the lacing on your tongue speeding in to your  
lungs racing through these automatic nights erratic

Draining through this champagne keeps flooding  
fainting fearless insane sights cutting will she  
reconnect will she reconnect

Miss connection downing operatic sparks lights out  
fading wishing waiting miss connection drowning  
symptomatic hearts lights out dazing dislocating time  
keeps masking (all that I know) all I'm asking (is why I'm  
alone) miss connection lights out fading wishing  
waiting lights out dazing dislocating

Shouting miss connection

Darling making her exist by receiving ends making her  
exist by deceiving mends darling darling answer stuck  
with no end in the sideways cycle cycle eight

Miss connection downing operatic sparks lights out  
fading wishing waiting miss connection drowning  
symptomatic hearts lights out dazing dislocating time  
keeps masking (all that I know) all I'm asking (is why I'm

alone) miss connection lights out fading wishing  
waiting lights out dazing dislocating

Shouting miss connection
