Heaven's waitin' for you
Just close your eyes and say goodbye
Hearin' your pulse go on and on and on

I live my life in misery
I'd sacrifice this world to hold you
No breath left inside of me
Shattered glass keeps falling

Say
Say goodnight
Just sleep tight
Say goodnight

Flowers laid out for you
So many colors leave me blind
Seein' your face reflect from our baby's eyes

I live my life in misery
I'd sacrifice this world to hold you
No breath left inside of me
Shattered glass keeps falling

Say
Say goodnight
Just sleep tight
Say goodnight

So here I am you're inside of me
So here I am - my world is over
So here I am you're inside of me
So here I am - my world is over

Here I am with you
I'm there 'til the end
Mem'ries are calling
So fare well my friend

Fare well my friend

Here I am with you
I'm there 'til the end

Mem'ries are calling
So fare well my friend

FAREWELL MY FRIEND!
FAREWELL MY FRIEND!
MY FRIEND
MY FRIEND
MY FRIEND
