ooooooooooooooooohhhhhhhhhhhhhhhhhh

oh yeah!

I'm always thinkin' of you
And all the things that you do
Self centered satisfaction
No more will I, run from you
Destruction family values
I'll time our...
Will not face...
Stop talking words of wisdom
You fool I'm stadin' right here

The world is on your shoulders
The weight is crushing me
Now we're all gettin' older

Take it out[4x]

Take it out on me[4x]

No more frustration on me!

I feel so much destruction
In every-thing that you do
And goes creeping in me
Bright shadow... explode on you
My rage comes so quickly
Once back in...
I'm really nice
Self harm in need of situation
Cut deep but the prince is so rad

The world is on your shoulders
The weight is crushing me
Now we're all gettin' older

Take it out[4x]

Take it out on me[4x]

No more frustration on me!

[awesome solo(guitar plays 6x)]

This fire burns inside
This fire burns inside

There's nowhere left to hide

[the awesome solo is still going]
(now it pretty much ends here)

This fire burns inside
This fire burns inside

There's nowhere left to hide!

The world is on your shoulders
The weight is crushing me
Now we're all gettin' older

Take it out[4x]

Take it out on me[4x]
No frustration on me!

Take it out!!
