Sunny days with blue skies, I wake up and then I realize
that I can
be what want to. There's no limit to what I can do.
Life's too short to
waste time, got to spend your time trying to get it right.
Cause you never know
how the story goes, chapters change, you might play a
different role.
I'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
...this is my world!
I'm loving this, this new place, this
place I'm in. I'm enjoying just being here and being
free. I've discovered a
part of me. So I'll fly to new heights in my life,
there's no reason why. Let
me show you now, let me tell you how you can be you
can do anything...

I'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
...this is my world!

I'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
...this is my world!
There's nobody here who can take my place, what's
for me is
for me and I know it will be, spectacular, so wonderful,
so beautiful, so
magical. I'm one of a kind. I'm destined to find my
place in this world, a
special girl. I treat myself right. I'm living my life. And
I'm so
beautiful...

Iâ'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
Â...this is my world!

Iâ'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
Â...this is my world!

Iâ'm free to chase my dreams
Be anything I wanna be
Nothing will stop me
now
Â...this is my world!
