All I have  
Left in my heart  
Is my love for you

Romance is over and through (Romance)  
No longer and I supposed to think of you  
Or of memories of happier times  
When darling, I was yours and you were mine  
'Cause now you ask me girl to give you back

All that I have  
Ooh, baby  
All that I have

And all I have  
Left in my heart  
Is my love for you

How can you  
Have the nerve to say  
Go and find (Go and find) someone new

Sorry, sorry it has to end this way (To end)  
But I don't think that I could have gone through another  
day  
Of knowing you don't want me around  
And knowing of this new love you've found  
'Cause now you ask me, girl, to give you back

All that I have  
Ooh, baby

And all I have  
Left in my heart  
Is my love (Is my love) for you

And how can you  
Have the nerve to say  
Go and find (Go and find) someone new

Darling

If this is what you really want me to do  
Then I'll go out and try  
To find someone new
