[Kimya:]

Walking

Along

I'm in this song

That belongs

Does it belong

Yeah

In

My

Head

Baby do you love me?

I don't even love me

Baby look above me

Baby please don't shove me

Baby if you spoon me

I will let you moon me

Yeah!

Thinking aloud

In a crowd

Feeling Proud

Should I feel Proud?

Yeah

I'm

Not

Dead

Baby do you love me?

I don't even love me

Baby look above me

Baby please don't shove me

Baby if you spoon me

I will let you moon me

Yeah!

[Adam:]

Making myself sick

In my face a floppy disk

Getting dumber by the day

Never got no time to play

Should I feel bad to tell the truth

Sitting sideways on my chair

Pencils in your hair

Make you so spunkified

Take me to the county fair
Tons and tons of things are there
Take me on a rollercoaster
Yeah

I could race a car
through a tunnel in my yard
make these hills too steep to climb
so much steeper in my mind
Should I feel bad
Cause now I know
How to stay but still I go
I'm confused
And now you look so spunkified

Take me to the county fair
Tons and tons of things are there
Take me on a rollercoaster
Yeah
