Please give me peace of mind  
Ooh, ooh, say you'll be mine  
Come rain or shine

And when I kiss you  
Just say I do now  
Oh, just I do-do-do  
Love you, oh, baby

You're as sweet as old cherry wine  
Ooh, ooh, like an angel  
Oh, baby, you're so fine

Say you'll be with me  
My whole life through now  
Oh, just say I do-do-do  
Love you, oh, baby

There are many ways of saying I love you (I love you)  
But any word from you is good enough for me  
Too many hearts now has been bleeding  
And if mine is one, if mine is one  
It wants to be, it wants to be, oh, baby, oh, baby

Each night of my dream  
Ooh, ooh, I'm a king  
My darling, you're my queen

And when I awake  
Please make my dream come true  
Oh, just say now  
I do-do-do  
Love you

I do-do-do  
Love you  
I do-do-do  
Love you

I do-do-do  
Love you
