When she holds me  
In her arms  
I can feel the magic  
Of her charm

When she kisses me  
Oh, so tenderly  
Makes me know her love  
Is only for me

It's such a lovely way she loves me (Ha, ha, baby)  
It's such a lovely way she loves me (Ha, ha, baby)

When I'm feeling down and out  
She eases the pain  
When I'm down and out, ooh, baby  
You make me feel alive again

She makes me know her love  
Is for me  
And it's for real  
Not a fantasy

It's such a lovely way she loves (Ha, ha, baby)  
It's such a lovely way she loves (Ha, ha, baby)

I remember in the summer sunset  
We sat and talked  
About how we had met  
And when the autumn leaves began to fall  
I remembered how we sat and reminisced it all  
And when the wintry winds began to blow  
I held him close  
And that made me know, that made me know  
That made me know, ooh

Oh...

Such a lovely way she loves (Ha, ha, baby)  
It's such a lovely way she loves (Ha, ha, baby)  
It's such a lovely way she loves (Ha, ha, baby)
