Just because i don't say anything,  
Doesn't mean i don't like you.  
I open my mouth and i try and i try.  
but no words came out.

Without 40 oz. of social skills,  
i'm just an ass in the crack of humanity.  
i'm just a huge manatee.  
a huge manatee.

And besides your probably holding hands  
with some skinny, pretty girl that likes to  
talk about bands.  
and all i wanna do is ride bikes with you.  
and stay up late and watch cartoons.

...Ducktails, shirt tails, tail spin, sailor moon, GI Joe,  
robotek

i wanna watch cartons with you.  
Jossie and the pussy cats and scooby doo,  
i want you to watch cartoons with me.

he-man, voltron and hong kong 3  
i tried to ask you to your face  
but no words came out.  
put on my hood and walked away,  
that doesn't mean i don't like you,  
and besides your probably holding hands  
with some skinny, pretty girl that likes to  
talk about bands.  
and all i wanna do is ride bikes with you.  
and stay up late and maybe spoon.

Just because i don't say anything  
doesn't mean i don't like you.  
..no..  
i opened my mouth and i tried and i tried.  
and besides your probably holding hands  
with some skinny, pretty girl that likes to  
talk about bands.  
and all i wanna do is ride bikes with you.

and stay up late and watch cartoons.

I'm just your average thundercats ho
