Just a cool cat in a small town
(Small town)
Working my ass at a Walbounds
(Walbounds)

Waiting to groove in a hip town
(Hip town)
Get down
I'm waiting for the sound of a new town

Trying to avoid a little beat down
(Beat down)
Of a white boy who thinks that he's down
(He's down)
That's me and I'm waiting to succeed

I might be just a little kid but I know what rocks
Rap is out the Moldy Peaches are at the top
We hate dance and we hate rap
But we like to contradict ourselves
And that's alright

I might be just a little kid but I know what rocks
Rap is out the Moldy Peaches are at the top
We hate dance and we hate rap
But we like to contradict ourselves
And that's alright

Just a cool cat in a small town
(Small town)
Working my ass at a Walbounds
(Walbounds)

Waiting to groove in a hip town
(Hip town)
Get down
I'm waiting for the sound of a new town
