You gotta have rain
to have a rainbow
You gotta have dick
To have a dick in your mouth
You gotta skin a rich kid
to wear a rich kid suit
And you've gotta know by now I think you're cute

The problem with kids today is they're Always thinkin' bout getting laid When they should just play some games Like stick the dick in the hole And you wanna know something grand? The other night I met a guy named Chad And he liked doing other things Like playing hockey YEAH YEAH YEAH YEAH NO And I hear you got a digeridoo And ah a (?) too Why don't you come over and jam? HeyÃf¢â,¬Ã,¦ remember that time you fucked the jelly?

NOOOOOOOOOOOO!!!!! NO!

Then came two
Me and you
You and me
And we're standing on our feet
Then came she
Then came he
They were we
Now we're flyin' on our wings
Into the night
We took our might
Black or white
With the power of our dreams, the power of our dreams

Gotta crack a few eggs to make an omelet She takes her coffee with a cigarette She misses people she hasn't even met She is me and you are listening to me sing And you've got to want to fuck me And you've gotta want to tickle my peeney And you've gotta want to rub my vagiiineeeey

Hey, after this who wants to go shit in a condom with me?
