You're falling faster now
Almost underground
I can't believe my eyes
It doesn't make sense

Everything's different
(Are you happy now?)
I feel forsaken
You're not yourself

Anymore
I don't even know you
Anymore
Is no one safe from you?
Can you hear me?
You're staring through me like you can't see me
Anymore
Anymore

Your words can cut so deep
Can't stop the bleeding
Do you find pleasure in
In watching me scream?

I feel the sting
(Are you happy now?)
Nothing is sacred
You're not yourself

Look at me when I am talking to you
You never listen, never follow through
Look at me, I'm talking to you
You never listen, you never listen
