Hotel stationary,
Pour your heart out
Your life, your story
Write it down, you gotta write it down
The tear-stained pages
Goin' up in flames
When the smoke hits the ceiling
Will the memories fade?

Chorus:
Say farewell,
Tell all of your mistakes
Forgive yourself,
It's a brand new day

Night turns to morning
You wonder why nothing's changed
Do you really want forgiveness
Or just the pain to go away?
Put pen to paper,
This time for a different aim
The future is redemption
Your story of escape

Chorus (2x):
Say farewell,
Tell all of your mistakes
Forgive yourself,
It's a brand new day

Salvation is waiting for you
Your heavy heart can be carried for you

Hotel stationary,
Pour your heart out
Your life, your story
Write it down,
You gotta

Chorus:
Say farewell,
Tell all of your mistakes

Forgive yourself,
It's a brand new day
