Wake up,
Follow the ringing in my ears
Hold on,
How does a day turn into years?
I never thought it'd be so long,
My journey down a one-way road
I never thought I'd leave behind
A part of me that used to dream
I can start again

Chorus:
Right now, I'm dyin' inside
And I don't ever wanna feel it again
It's time to make it alright
Because I wanna know how it could've been
And I'm sorry that it's like this,
'Cause it's such a mess I know
And I'm sorry that it's like this

New day,
Moving beyond what broke me down
Letting go,
I'm giving it all up to be found
I never though a second chance
Would ever let this day begin
I never thought I'd be the one
To show the world to overcome
I can start again

Chorus:
Right now, I'm dyin' inside
And I don't ever wanna feel it again
It's time to make it alright
Because I wanna know how it could've been
And I'm sorry that it's like this,
'Cause it's such a mess I know
And I'm sorry that it's like this

I wanna stand my ground in every circumstance
I won't let 'em get me down
You've given me a second chance

Chorus:

Right now, I'm dyin' inside
And I don't ever wanna feel it again
It's time to make it alright
Because I wanna know how it could've been
And I'm sorry that it's like this,
'Cause it's such a mess I know
And I'm sorry that it's like this
