[Dahvie]

Craving makes it tastes sweeter

Makes me push deeper

I'm not fucking tease

I'm only here to please...

[Jeffree]

I don't play hard to get,

I play to get your hard

I fuck to get you off

That's why my name is Jeffree Star

[Jayy]

Everything that tastes good

Isn't always healthy

Just take a lick bitch

I'm poison fucking deadly

[Jeffree]

Injections, erections

Pleasers, & seizers

[Jayy]

Abuse & misuse

[Dahvie]

I'm on this drug

I can't refuse

CHORUS:

[Jayy & Jeffree]

Hey Baby inject me sweetly

Let me bleed through your veins

Hey Baby inject me sweetly

Gonna drive you insane

[Dahvie]

I'm the highest ecstasy

Your sickest STD

[Jeffree]

The strongest drug that you hate to love

[Dahvie]

It's the best you'll ever have

No needle, or a pill...

No hallucination

Cuz it's everything you feel

You want on top or underneath?

Want some more?  
[Jeffree]  
Pretty please!  
Pulses throbbing,  
Heads are spinning...  
My overdose is beginning  
[Dahvie]  
Without it I'm I'll  
I'm dying, it kills  
I need my fill...  
[Jayy]  
JUST GIVE IT TO ME!  
[Jeffree]  
I don't want anything,  
Its' just what I NEED  
Please don't make me beg...  
[Jayy]  
JUST GIVE IT TO ME!

[CHORUS]

[Jeffree]  
Baby inject me sweetly x4

[Jayy]  
Cuz all I need...

[Jeffree & Jayy]

[CHORUS]
