Haha, we're back!  
BOTDF, rep, rep,  
Slash Gash Terror Crew,  
407, where you at?

When I step up in the club,  
Everybody show me love.  
When I step up in the club,  
Music is my favorite drug.  
I'm in the business of terror,  
More metal than Slayer.  
I got money and hoes,  
In different area codes.  
'Cause haters make me famous,  
But love will make you shameless.  
So do your thing and get your bling,  
I'll slash, gash this party bash.  
Gotta get that money cash.  
Up in down with no breaks,  
We as in, I'll make you shake.

Mmm, baby,  
I gotta get that play,  
Girl, I like the you sway,  
Ah, ah, we do it everyday.  
(X2)

We're gonna mosh!  
We're gonna roll!  
(X3)

Stop, drop, mosh and roll,  
Everybody lose control.

We're gonna shake it up,  
Up and down.  
We're gonna burn this town,  
To the ground.  
(X2)

I'm not a trend sweater,

I'm a trend setter.  
Girl, you better pop an umbrella 'cause,  
You're making me wet, drip, drip.  
I gotta get that lick,  
For the center of the tootsie pop.  
You know I can't stop,  
Yeah, yeah, you know how I drop.  
This beat is so hot,  
When I'm riding on top.  
More roar, hardcore,  
Will bring it once more.  
There's blood on the dance floor,  
Will bring it once more.  
Shank you with my bling brass,  
Stacking up on my money cash.

Mmm, baby,  
I gotta get that play,  
Girl, I like the you sway,  
Ah, ah, we do it everyday.  
(X2)

We're gonna mosh!  
We're gonna roll!  
(X3)

Stop, drop, mosh and roll,  
Everybody lose control.

We're gonna shake it up,  
Up and down.  
We're gonna burn this town,  
To the ground.

Got my homies to my right,  
My ladies to my left.  
We can't stop until you feel,  
This in the center of your chest.  
You best represent,  
Up and down,  
Your neighborhood.  
Everybody feeling good.  
(X2)  
(Everybody feeling good,  
Everybody everybody(x2))

Stop, drop, mosh and roll,  
Everybody lose control.

Everybody feeling good!
