Be careful what you wish for
It might come true
Your imagination could be the death of you

Na-na-na-na-na-na-na-naaaaa
Na-na-na-na-nanaa
Na-na-na-na-na-na-na-naaaaa
Na-na-na-na-nanaa

You can, have it all
If you, stay with me
I will, grant your ever wish
And your fantasies
You're sad, and broken hearted
Promise I can mend it
Your dreams, comin true
And I'll break in I know
(In I know)

I'm too much
I'm everything you want
I'm your fantasy
I'm what dreams are made of
You want me
Can't resist me
You know that
I'm what dreams are made of
Na-na-na-na-na-na-na-naaaaa
Na-na-na-na-nanaa
I'm what dreams are made of
Na-na-na-na-na-na-na-naaaaa
Na-na-na-na-nanaa
I'm what dreams are made of
Your wish, your wish
Cross it off my list
Your wish, your wish
Cross it off my list

Everything that you ever wanted
Anything that you've ever needed
Don't you worry about it

Leave it up to me

I'm too much
I'm everything you want
I'm your fantasy
I'm what dreams are made of
You want me
Can't resist me
You know that
I'm what dreams are made of

Your wish, your wish
Cross it off my list
Your wish, your wish
Cross it off my list

Baby 1, 2, 3
I'll become a dream
Baby 1, 2, 3
Come and dance with me

Your wish, your wish
Cross it off my list
Your wish, your wish
Cross it off my list

I'm what dreams are made of
I'm what dreams are made of

I'm too much
I'm everything you want
I'm your fantasy
I'm what dreams are made of
You want me
Can't resist me
You know that
I'm what dreams are made of
