You come to me with your look of superiority
Have you asked yourself today how real is what you
believe?

In one moment, He will make me complete
Do I talk about it to be apart of the elite

Oh oh oh oh, do what you say
Oh oh oh oh, do what you do
Oh oh oh oh, do what you say
Oh oh oh oh, do what you do

You try, I draw the words out of my mouth
Show me what to do but then I'll die if I live through you
We're here to love and not to be manipulated
To each his own and that should never be understated

Oh oh oh oh, do what you say
Oh oh oh oh, do what you do
Oh oh oh oh, do what you say
Oh oh oh oh, do what you do

Oh, let's see what we've got here, here
Let's take it on
Oh, let's see what we've got here, here
Let's take it on

Oh oh oh oh, do what you say
Oh oh oh oh, do what you do
Oh oh oh oh, do what you say
Oh oh oh oh, do what you, do what you do
Oh oh oh oh oh, do what you do
Oh oh oh oh oh, oh oh oh oh oh
