Alright!!!!!

I left with shaking hands, looking for danger Details of modern love, in bed with strangers And there is no warning, I'm not ignoring

I cut glass on my callused feet, cause I walk through miles of make shift mud MotherfuckerâÃ,€Â¦I want your BLOOD!

I got the hands of history's stranglers, and the midnight sky reflects off my skin I got the flesh of a million strangersâÃ,€Â¦ your never gonna see meâÃ,€Â¦closing in YEAHâÃ,€Â¦while you're sleeping!

No need for safe return, is no need for your concern there is no warning, I'm not ignoring I follow you across the county lines And these beads of sweat feel like a flood You motherfucker $\tilde{A} \in \tilde{A}$, $\hat{A} \in \tilde{A}$ want your BLOOD!

I got the hands of history's stranglers, and the midnight sky reflects off my skin I got the flesh of a million strangers $\tilde{A} \in \tilde{A}$, $\hat{A} \in \tilde{A}$, your never going to see me closing in $\tilde{A} \in \tilde{A}$, $\hat{A} \in \tilde{A}$, your never going to see me closing in $\tilde{A} \in \tilde{A}$, $\hat{A} \in \tilde{A}$, while you're sleeping!

Breaking through your window, stabbing through your ribcage!!
