Your tv image sofa and beers
Your gobbing off about Brittany Spears
Eaton Cambridge they paid for it all
You're just a wanker but you think your cool

Your shit and you know it
Your a middle class wanker and know it
Your shit and you know it
I can see through your image its bullshit

Your pc image is just banial
You play it of with your sexist style
You aint no different to what used to be
You wrap it up call it comedy

Your shit and you know it
Your a middle class wanker and know it
Your shit and you know it
I can see through your image its bullshit

You took the 3 Lions and made them your own
Who are you to say football coming home
You anit from the street
Your just so plastic made a living out of being sarcastic

Your shit and you know it
Your a middle class wanker and know it
Your shit and you know it
I can see through your image its bullshit
