Chase this tease into the open wave  
And take this leash into your inner slave  
And follow me into the open end  
And gather these pieces of broken man

I will set in motion to open me up again  
I will make the ocean swallow me up and then, drown,  
drown

Close this cell imprison your only friend  
And I can't kill but I'm not so innocent  
And rid this place of me and everyone  
And change this face to burn in the sun

I will set in motion to open me up again  
I will make the ocean swallow me up and then, drown

Stop this life I cannot stop this life  
I cannot stop this life I cannot die

I will set in motion to open me up again  
I will make the ocean swallow me up and then, drown  
Drown I drown, I drown, I drown, I drown
