Feeling so forsaken, forsaken
I knew you were my last chance as salvation
You were the one that kept me alive
And you were the one that destroyed me inside

Goodbye
I can't live on through this life I have
And if I could hold you just one more time
One more time
Before I die (Before I die)

Bleeding, divided
Divided
You left existence for me
Undecided
And I can't believe
How you tossed me away
And I can't believe
All the love that I gave

Goodbye
I can't live on through this life that I have
And if I could hold you just one more time
One more time (One more time)
Before I die

I fall through coming for you
I died crawling inside you made me
Feel low
You made me wanna die
You made me
Feel low
You made me wanna die
You made me
Feel low
You made me wanna die
Die
Die

Goodbye
I can't hold on to this this life I have
And if I could hold you just one more time

One more time
Goodbye
I can't hold on to this life
And if I could hold you just one more time
One more time
