

Bang! The Witch Is Dead "The Cauldron"

Two children searching
for a lost cause,
discovered by a witch.

Songs are sung,
She leads them to her home.

What have we here?
where's your home?
you must have lost your way.
come in and seal your fate.

You're so cold,
come inside,
i'll warm you right away
you're just in time to eat!

Throw them in the cauldron!
Melt them till their eyes bleed!
Throw them in the cauldron!

One dead, the other is next.
The time has come, the girl must die
She cooks the body and eats the thighs
The time has come, the girl must die

What have we here?
Where's your home?
You must have lost your way.
Come in and seal your fate!

You're so cold.
come inside.
I'll warm you right away
You're just in time to eat!

Throw them in the cauldron!
Melt them till their eyes bleed!
Throw them in the cauldron!

What have we here?
Where's your home?

you must have lost your way.
Come in and seal your fate!

You're so cold.
come inside,
I'll warm you right away.
You're just in time to eat!

No happy ending,
they both are dead.
no jewels or treasure
but the cauldron's tinted
a deep, dark red.
