You've been havin some laughs
At your own expense
Thinkin bout champagne
With your back to the fence
Well you've been swingin
And missin
Time after time
Well you're ready
To face 'em
But they throw you stuff
That won't look you in the eye
Aw but anything
Can happen
In Fenway Park
If you're lookin
Like a loser
And it's way after dark
Remember anything
Can happen
In Fenway Park
No matter
How far down
You are
Don't you know that it seems
That things have been fallin
Out of the sky
Seems like some huge wall
Is blockin you every time
Once you were winnin
With such style and such grace
Well you just know
You could get home
If you only could remember
How to get to first base
Aw but anything
Can happen
In Fenway Park
If they're callin you
A cab
And it's way after dark
Remember anything

Can happen
In Fenway Park
No matter
How far down
You are
Aw anything can happen
In Fenway Park
If you got no one
Left clappin
And it's way after dark
Remember anything
Can happen
In Fenway Park
For you
Play on
Play on
