[Big Shug]

Puff thai, I got to elevate the mind  
Come with the rough rhymes, each and every time  
The lyrical's tight, and so is my game  
I came to hang 'em high, and some might get maimed  
Dangerous, not the one to trust  
Itchy be my trigger finger if I have to I bust  
Or touch, any MC who got the nerve  
To step to Big Shug and get served, my word  
You wanna know what I'm about?  
Come a little closer, and I'll knock your fuckin choppers  
out  
And I'll be laughin at your toothless ass  
When your man run up, he catch a Heineken bottle  
blast  
I'll be the one to take 'em down  
Niggaz be tryin to play but now Shug's in town  
And I gots to crush 'em down  
Limb by limb, cause I'm runnin my game again  
Now I'm here... to rule again  
Kickin faces in like a soccer hooligan  
And I'm choppin cats down that are weak in the rap  
game  
After I'm finished, the punks think I'm insane  
No time to clown around  
Like Green Bay we +Pack+, when we come to bang 'em  
down

{\*"Boom, bang 'em, on down"\*}

[Big Shug]

I slap up punks with a vengeance  
I got hardcore rhymes, in each and every sentence  
I mentioned, I like to box or go fencin

I'ma do you in punk, I got to pay my rent son  
And I'll be crashin down on chumps  
And in my left kick I might have the bag of skunk  
Cause niggaz be cryin in this game too much  
So it's time for Big Shug, to fuck 'em up  
Stuck 'em up, for they cash and respect  
Now they lay motionless, with a broken neck  
Put punks in check, Shug's on the set  
Who'll be the next MC to wanna flex?  
I'll leave you roughed up like bedsheets after sex  
So if you comin kid, you best come correct  
I attack yo when I'm low on dough  
But I get paid nicely to rock fly shows  
Goes to show, there's life for dope pros  
If Shug don't see ya, you get the elbow  
Or hear the tormenting sound  
Of wack MC, getting smashed to the ground  
I bang 'em down

{\*"There's no cure.."\*}

{\*"Boom bang 'em on down"\*}

{\*"Boom bang 'em... boom bang 'em on down"\*}

{\*"Boom bang 'em... boom bang 'em on down"\*}

{\*"There's no cure.."\*}

[Big Shug singing]

You're a mean one, you fuckin punk

You only talk shit when you're drunk

You think that you are bigger, when you drink that  
fuckin liquor

You fuckin puuuuuuuuunk, I'll beat your assssssssss!
