Hello, I'm not home right now, I'm probably busy  
So at the sound of the beep, leave your message  
And I'll return your call, as soon as I can  
Peace, okay?

[Big Shug]

Whattup duke? It's your man again  
No fakeness, cornball, or shenanigans  
Real talk, comin from the thoroughest  
Broke bread with Brooklyn nappy borough kids  
Time after time you tried to stop my rhyme  
But I'm all chest and heart and you got no spine  
I was born to lead, you was born to bleed  
Youse a slowpoke nigga so I move with speed  
Update - you higher and you can't be found  
I heard you and your man was suckin dicks out of town  
You throw dirt we shovel that shit back  
And when we catch your lil' ass we gon' snap your back  
One thing, I just can't understand  
You got a big mouth for a little-ass man  
Try to leave me hangin, without the rope  
I got enough rope to leave your punk-ass choked  
You know me, I don't speak just to scare you  
You know my resume and the things that I do  
Like, punch cats, in they solar plex'  
Leave nasty holes, in they face and they chest  
When you get the message, give me a call  
And we'll meet up and I'll kick you, dead in the balls  
Call me back BITCH, call me back~!  
Yeah... {\*hangs up phone\*}
