{\*"The way it is" - Big Shug\*}

[Big Shug]

I'm not the, \_Lord of the Rings\_, I'm the lord of poppin  
them things

Settin you up, and takin your bling

Hoes love the way I spit it though

Cause of the +Speakerboxxx+ they give me +Love  
Below+

I'm from Murderpan where they raise no snitches

But some cats still do, I navigate

nicely around them cats, you snitch on me?

They find your ass out back

Bein chewed on by the pigeons and the rats

Hollow your body, and that's a fact black

Fo' sure

You not an MC, youse a rapper

Fashion yourself, after Hollywood actors

I ain't hatin on your progression though

Cause for two years now your skills have been in  
recession yo

No aggression, no passion, no heart

That's when shit, starts to fall apart

More money, more security

Out of touch nigga you can't even feel me

Deadbeat nigga owe money to your kids

That's just the way it is, the way it is

[Chorus]

{\*"And this is the way.. the way.." } - {\*"The way it is"\*}

{\*"Now I'm back with the flyest material" - Erick

Sermon\*}

{\*"And this is the way.. the way.." } - {\*"The way it is"\*}

{\*"I got plans for this rap game"\*}

{\*"And this is the way.. the way.." } - {\*"The way it is"\*}

{\*"The look in my eye punk, has got you scared of me"

- Guru\*}

{\*"And this is the way.. the way.." } - {\*"The way it is"\*}

{\*"The way it is"\*}

[Big Shug]

Lil' mane, playin the blame game  
Can't take the weight, blame it on your mayne  
Sound like a bitch, a-gain in the game  
When shit's goin smooth you go against the grain  
Fake cuckoo, like you goin insane  
But won't hold a gun to your motherfuckin brain  
You used to be so right, you used to be so tight  
Now I wanna knock out your fuckin lights  
Fright night nigga, scared of your own shadow  
You, you, yes you, you wanna battle?  
I'll eat your ass up and stuff you in a barrel  
Crush up your bones and feed the pits the marrow  
Serious biz, I got out for the scriz  
That's just the way it is, the way it is

{\*"And this is the way.. the way.. the way.." - Run\*}

[Chorus]

[Big Shug]

Dat's your wife? I know niggaz that hit that  
While you were bangin backs they was blowin out her  
back  
This is wack, cause this is not on the low  
But you like Mario, you don't wanna know  
Trick like crazy, bills rather large  
You go back to the crib screamin like you in charge  
I'm in that black car smokin blunts in your yard  
Suspect, no guts to be hard  
Take you to the river tie your ass to the log  
Better yet, how about splittin your wig  
That's just the way it is, the way it is

{\*"And this is the way.. the way.." - Run\*}

Yeah this is Big Shug baby, wait no more  
This is definitely a sure shot  
Holdin it down for the Gang Starr Foundation  
Team Shug, and all those  
My man T. West, Singapore  
My man Guru, Primo! Holdin me down  
This is how we move it, CL, this is the one for you man  
We gon' take it to the top  
That's the way it is {\*echoes\*}
