Yo you think it's cool to blaze up in here man?  
I ain't tryin, I ain't tryin to get in trouble  
But I'm, I'ma blaze though, I just wanna smoke my

Y'know? So I'm just gon' sing while all y'all blaze up  
right now

Can we smoke some trees in here?  
I don't miiind, if it's alright  
Can we blaze some trees in here?  
I wanna get, gotta get, hiiiiigh yeah  
Can we smoke some trees in here?  
Smooking, smoking all day  
Can we puff some chocolate here?  
It's it alright, I hooope, yeah  
Can we smoke some trees in here?  
I don't plan no trouble, I just - wanna  
Can we blaze some trees in here?  
Blaze some trees  
Can we smoke some trees, in here?  
Is it, alright, alright, alright, alright  
Can we smoke some trees in here?  
In here - I wanna get high, yeahh  
Can we blaze some haze in here?  
I wanna be, hiiigh  
Can we puff some weed in here.. {\*fades\*}
