I don't mind you coming here, waisting all my time
cause when you're standing oh so near
I kinda loose my mind
It's not the perfume that you wear
It's not the way you wear your hair
I don't mind you coming here, waisting all my time

I guess you're just what I needed
I needed someone to feed
I guess you're just what I needed
I needed someone to bleed

I don't mind you hanging out, talking in your sleep
It doesn't matter where you've been
As long as it was deep
You always knew to wear it well
You look so fancy I can tell
I don't mind you hanging out, talking in your sleep

I guess you're just what I needed
I needed someone to feed
I guess you're just what I needed
I needed someone to bleed

Yeah, yeah, yeah, so bleed me

I don't mind you coming here, waisting all my time
cause when you're standing oh so near
I kinda loose my mind
It's not the perfume that you wear
It's not the way you wear your hair
I don't mind you coming here, waisting all my time

I guess you're just what I needed
I needed someone to feed
I guess you're just what I needed
I needed someone to bleed
I needed someone to bleed

Yeah you're just what I needed
oh you're just what I needed, yeah, yeah
you're just what I needed
