Oh oh I got that feeling again  
ever since I first laid eyes on him  
Now my head's up in the clouds  
my feet don't touch the ground  
when he's around  
and he doesn't even know it just

I'm a little bit shy this time  
I'm a little bit nervous  
I got butterfly's so wirling inside  
I'm a little bit shy this time  
Knowing there's chance he could be mine

So what else can I do  
my knees get weak  
and I can't even speak at all  
What if he sees me too,  
I'd blush and run away  
what does that say  
will he figure out thruth

I'm a little bit shy this time  
I'm a little bit nervous  
I got butterfly's in cirkles inside  
I'm a little bit shy this time,  
I'm a little bit nervous  
eventhough it seems to feel allright

I'll ask Cupid to play on my team, in my dream  
Do me a favour, and aim another arrow at him  
With a note attached in my name  
It's a silly game...

But I I I I'm little bit shy this  
I'm a little bit nervous  
Butterfly's

I'm a little bit shy this time  
I'm a little bit nervous  
I got butterfly's so wirling inside  
I'm a little bit shy this time  
I'm a little bit nervous

eventhough it seems to feel allright
