Out streetwalking on a Saturday night
Looking for the man
Staying out of sight
Trying to find something
To ease my mind
Traffic lights a-blinkin'
And I'm right on time
Come around a corner
On 4th and Main
Joint was a -jumpin'
People going insane
Jukebox a-flappin'
On through the night
I think all the boys
Are starting up a bloody reunion.

Chorus:
A bloody reunion
Well, it's a bloody reunion
Tearing up the town
Smoking on a Saturday night
Well, it's a bloody reunion
What a bloody reunion
All hell's a-poppin'
Rockin' 'till the morning light.

Here comes Mary
In a long red dress
Looking hot 'n' sasy
Just like all the rest
Leaning on a lamp post
And she's dressed to kill
Lord she wants to make it
And I think I will
Coming on strong
And giving me the eye
Ain't no way
I'm gonna pass it by
Tonight we're gonna do it
Gonna get it right
Me and Miss Mary
Gonna start another

Bloody reunion.

Chorus:

A bloody reunion
Well, it's a bloody reunion
Tearing up the town
Smoking on a Saturday night
Well, it's a bloody reunion
What a bloody reunion
All hell's a-poppin
Rockin' 'till the morning light.

Chorus:

A bloody reunion
Well, it's a bloody reunion
Tearing up the town
Smoking on a Saturday night
Well, it's a bloody reunion
What a bloody reunion
All hell's a-poppin
Rockin' 'till the morning light.

Lord what a party
Everybody feelin' right
Drinking and a-smoking
Everybody's high as a kite.
