A King without a sword
A land without a King
The truth without a voice
One song left to sing
One song to sing

A wise man told me there's
something you should know
"The way you judge a man is
you look into his soul
and you'll soon see everything".

A voice from the past cried
"Give Peace A Chance"
He paid our price now
he's free at last
And "Imagine" we called
him a dreamer

How many times must
good men die?
How many tears
will the children cry?
Till we suffer
no more sadness
Stop the madness
Oh stop the madness
(instrumental)

If ashes are ashes
and dust is dust
And our journey's end
and then we turn we must
to the sands of the shore
White doves then fly
Peace to all
Tell me why the
peacemakers fall
Must we bury anymore?

A hush in the crowd
as the horse rode by

Black lace veil hid
the tears from her eyes
And we all wept in silence

How many times
must good men die?
How many times
will the children cry?
Till we suffer
no more sadness
Oh stop the madness
Oh stop all the madness
