Once we had each other  
We had security  
Anything she wanted  
But she wanted to be free

Thought I had everything in hand  
Instead she's taken everything from me

Good smoke and whiskey is all that's left in my life  
(Good smoke and whiskey)  
Good smoke and whiskey is all that's left in my own  
name  
(Good smoke and whiskey)

I said I loved her  
She just laughed in my face  
I thought I had her  
But she put me in my line place

She got the car and the color TV  
Now she's drivin' me to bankruptcy

Good smoke and whiskey is all that's left in my life  
(Good smoke and whiskey)  
Good smoke and whiskey is all that's left in my own  
name  
(Good smoke and whiskey)

A million used to be that  
I'm gonna be movin'  
(Movin')  
Movin'  
(Movin')  
Movin' tonight  
Nothing left to do  
Drink myself a million miles away from you, ooh ooh

Ooh, yes sir

Good smoke and whiskey  
Runnin' around my brain  
Good smoke and whiskey

Killin' all that woman pain

With a smile and a twist of the knife  
She took my heart and rolled out of my life

Good smoke and whiskey is all that's left in my life  
(Good smoke and whiskey)  
Good smoke and whiskey is all that's left in my own  
name  
(Good smoke and whiskey)

Good smoke and whiskey  
Good smoke and whiskey  
Good, good  
Good smoke and whiskey  
Good smoke and whiskey  
Oh yeah
