Remember how we used to play, laughed and fought  
the days away,  
But now those days are gone and I still fightin',  
For the heart of my soul,  
Summers never seem to last, childhood days are in the  
past,  
But memories of you are still reflected,  
In the heart of my soul

Chorus:

Heart of my soul, no hearts were breakin',  
Heart of my soul, no lives were taken,  
Our pockets are all lined with silver and gold,  
In the heart of my soul  
The old oak tree we used to climb has barely stood the  
test of time,  
But I can still see our initials carved forever,  
In the heart of my soul

Chorus:

Heart of my soul, no hearts were breakin',  
Heart of my soul, no lives were taken,  
Our pockets are all lined with silver and gold,  
In the heart of my soul  
We were times and times were tough,  
The dreams we shared will last forever,  
Even though the stakes were high,  
We both reached out and touched the sky together,  
yeah

Now I've heard your time has gone past, guess we  
knew it wouldn't last,  
But they say that at the end of every rainbow there's  
treasure untold,  
Even though you're far away, I'll see you again  
someday,  
But till then we'll always be together,  
In the heart of my soul

Chorus:

Heart of my soul, no hearts were breakin',  
Heart of my soul, no lives were taken,

Heart of my soul, we'll be together,  
Heart of my soul, you'll live forever,  
Our pockets are all lined with silver and gold,  
In the heart of my soul,  
Heart of my soul,  
Heart of my soul,  
You're the heart of my soul,  
Heart of my soul
