When I came to your house
I heard the backdoor slam
You was having fun
With your part time man
I know you'll find time to slip away
I'm gonna get my gun
That is what I say

I'm gonna even the score
Chorus:
Come hell or high water
She'll be rolling the dice with everything I bought her
Come hell or high water
I'm gonna catch you doing what you hadn't oughta
Why do you treat me like a stone cold fool
I know you're out there sneakin or doing the do

Come on now that ain't right
Chorus:
Come hell or high water
She'll be rollin the dice with everything I bought her
Come hell or high water
I'm gonna catch you doin what you hadn't oughta
It doesn't matter what you do
I'm walkin away from you
It doesn't matter what you say
I'm leavin you baby said I'm leavin today

Come hell, hep, hon

It doesn't matter where you been
I'm walkin away from you my friend
I'm telling you I'm going, going, gone
Keep on slippin and doggin around
I know I'll have my fun

Chorus repeat
