Johnny saw her ridin' on a streetcar named desire
His fate was sealed
She could see him comin' like a hundred other liars
It was no big deal

Rosa had a lover on the shady side of town
Tito, he was king of the streets
She was his possession like a jewel on his crown
Johnny better run, better run

Better hide your heart, better hold on tight
Say your prayers 'cause there's trouble tonight
When pride and love, battle with desire
Better hide your heart 'cause you're playin' with fire

The ride was over but the story doesn't end
He took her heart
She looked him in the eye, said they couldn't meet
again
You could see the trouble start

The word went out that Rosa's messin' with someone
It was on the street
Tito looked for Johnny with a vengeance and a gun
Johnny better run, better run

Better hide your heart, better hold on tight
Say your prayers 'cause there's trouble tonight
When pride and love, battle with desire
Better hide your heart 'cause you're playin' with fire

Johnny better run, better run

Johnny's holdin' Rosa on a rooftop in the night
As time stood still
Couldn't hear him comin' till he had them both in sight
You could feel the chill

A shot rang out like thunder and the blood was on her
hands
With nothing won
When someone lies there dyin' lovers finally

understand

Better hide your heart, better hold on tight
Say your prayers 'cause there's trouble tonight
When pride and love, battle with desire
Better hide your heart 'cause you're playin' with fire

Johnny better run, better run
