Never take a walk alone comin after me

Oh..oh.. watch it where you been stalkin around..no

Mama got the voodoo little bones
Daddy got a mojo noody knows
Can't get started till the night
The stars come out and moon is getting bright
Oh..oh.. watch out what your sippin
Oh.. oh.. daddy knows you been messing around

Kept him working - work it hard boy
Chorus:
Mississippi moon dog shakin after midnight
Gonna sweat the devil out of you
Mississippi moon dog voodoo all around now
A rattlesnake a rabbits foot too
All night long your testifying
The truth that your signifying
You ain't slept in half a week
There's no more disciples to listen to you speak oh..oh..
what the hell you sayin?
Oh..oh.. who you think you portraying now?

Mississippi moon dog sneaking out of memphis
The rivers in view
Mississippi moon dog reaching through the darkness
Sun never shines through
Mississippi moon dog listen to em howling
Muddy waters singing out the blues
Mississippi moon dog chicken come a scratching at ya
The swamps pointing at you

Chorus:
Mississippi moon dog shakin all around now
