Don't do no drugs
Ain't got the time
I keep it straight
But I don't mind
'Cause I got love
That the only plan
I'm just a satisfied man

Ain't no girl
Can turn my head
'Cause I got better
Waitin' on the bed
She does it all
Everything will wait
Makes me a satisfied man

Ooh, I'm so satisfied
Yea I'm so satisfied
Ooh, I'm so satisfied
Satisfied man
Yes I'm

In the world
That's falling down
We'll be together
No one else around
Face to face
Right to the end
Though I'm a satisfied man

Ooh, I'm so satisfied
Yeah, I'm so satisfied
Ooh, I'm so satisfied
Satisfied man

She keeps it comin'
(Keeps it comin')
Keeps it comin'
(Keeps me goin')
Yeah, keeps me goin'
(Every night and every day)

She keeps it comin'
(Keeps it comin')
Keeps it comin'
(Keeps me goin')
Yeah, keeps me goin'
(Every night and every way)

Ooh, I'm so satisfied
Oh yeah, I'm so satisfied
Ooh, I'm so satisfied
Satisfied man

In the world
That's falling down
We'll be together
No one else around
Face to face
Right to the end
Though, I'm a satisfied man

Oh baby, make no mistake about it
I'm a satisfied man
Baby, everything you say, everything you do
(Satisfied man)
Everything you do is so right
(Satisfied man)

Ooh, I'm so satisfied
Satisfied man
Oh yeah I'm so satisfied
Satisfied man
Ooh, I'm so satisfied
Satisfied man

Satisfied man
Satisfied man
Satisfied man
Satisfied man
Satisfied man
Satisfied man
Satisfied man
I'm a satisfied man
