Verse 1:

Day after day
Night after night
She stands and look through the window
Counting on the number of days she got to wait
she is nervous
So she took a book and started to read
heard a ring on the door
She let the book down
running to the door
She is dissapointed
Coz she thought it was her lover

Chorus:

Oh oh no
there he comes again
I am a woman in love
Waiting for my man
Waiting for my heart
Waiting for the one that gonna make me warm..
ohohoh I she is a woman in love.

Verse2:

now she is angry
So she went back and switched on the TV
Rather than watching the late horror movie
She switched on to the daily news
Hoping and praying to hear a news about her man.
She is upset so she took some cakes and started to eat.
Then once again she heard some one banging on the door.

With happines and joyfullness she jumped from her
nite dreams
and reach for the door..and there he was starting in the
dark..

Chorus:2x

Oh oh no
there he comes again
I am a woman in love
Waiting for my man

Waiting for my heart
Waiting for the one that gonna make me warm..
ohohoh I she is a woman in love.

Bridge:

Oh Woman in love woman in love
You can't take this love from her
She got the power to control her world
and live the way that she wants
She knows what she wants and how she wants it...
Yeh yeh yeh yeeeeeeee.....
she is a woman in love...

Chorus:repeat to end
Oh oh no
there he comes again
I am a woman in love
Waiting for my man
Waiting for my heart
Waiting for the one that gonna make me warm..
ohohoh I she is a woman in love.
