[Black Child]

Get ya hands up! its like money's fallin from the ceiling

Understand us! Nigga it's hard to touch a million

I thank God for my children, all the cars all the women

We gangstas! And there aint a day that by

a Hustlah! Don't look back and reflect on his life

We're a customed to ice, guns grams and dice

and bitches that go both ways like hazard lights

[Charli Baltimore]

We the underdog niggas but we can't be touched

so y'all motherfuckahs better ante up

cause everything we drop, is platinum plus (yo,
whattup!!)

Show me, You're an O.G.

(2x)

(Black Child)

yo man money, he funny, he a dummy, he aint a {O.G.

He gangsta, but he holy, might be a {O.G.

High profile but low key like a {O.G.

Go roll he's OD by a {O.G.

Marvin Gay, Quincy dog, that's a {O.G.

Billy Holiday, Cassius Clay that's a {O.G.

Black Child nigga, I'm respected like a {O.G.

Check my jail record I'm connected like {O.G.

If you don't know, now you know,

snakes high, gras low, let's go!

Nigga I step in the boot with bitches

Ever since the Murder album hear the Inc. in every city

Ever since a nigga been, be in the system

It's sickening how Black Child make white people listen

We different and y'all niggas is all the same

ya think when I ball is a game, get dumped in a hole of
flames

I'ma show you what they call pain, in the eyes of O.G.

Go Nas, you as young as OD
