I am so tired, I am sweeping everything away, oh  
Yesterday, we went our separate ways  
Now I wish you well, I wish you well

And I have been missing out on me  
So I am beginning here

He said I was like home to you  
I am not sure what that is  
And I wish I did it, I wish I did it

And I have been missing out on me  
So I am beginning here

La, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la  
La, la, la, la, la, la

And I have been missing out on me  
So I am beginning here  
And I have been missing out on me  
So I am beginning here
