something's burning in my eyes
i can't see much at all
i can't see nothing girl toniiiiight
i can't see anyone
give me give me danger give me something i can talk
about
i want to get the boot i wanna have to say i wonder why

blood is rushing to my brain
i know a lot of things
people would pay to see a fight tonight alright
i hope they always will

don't wanna be a part of it dont wanna say i saw you
there
i'll catch it on the tv i'll be sitting in my underwear

run the other way [x4]

something's burning in my eyes
i can't see much at all
i can't see nothing girl toniiiiight
i can't see anyone
something's burning in my eyes
i can't see clear at all
i can't see nothing girl toniiiiight
i can't see anything

give me give me danger give me something i can read
about
i want to get the boot i want to have to say i wonder why

run the other way [x4] today.
