These are thee things that belong to me
Nothing thats worth five dollars you see
I needed something of value
I needed money for drugs and food

I got caught shop lifting at macys
I got caught shop lifting at macys
Oh no

Hand on my shoulder a voice says son
I tried to run 'cause i never learn
There go my plans for the afternoon
Im in a chair in the managers room

I got caught shop lifting at macys
They say this won't changefor free
Oh no

They say son your quite moronic
Why dont you try something honesty
I said that i'd do my best
If they would not make an arrest
Oh Well Oh Well Oh Well ohh oh oh

But this is not the first time oh no
theyve got my records from other stores
I will beindividual
And it is off to the clink i go
