Lyrics:

don't tell me
i don't even want to know
i don't even want to hear

i don't want to hear about it now
i don't want to work it out this time
said i only wish you'd help me ease my mind
ease my mind

i know i can't
make the whole world fade away
i just want to rest my eyes
for a little while

everything's ok
doesn't matter anyway
everything's ok
doesn't matter . . .

sometimes the words mean nothing
sometimes the world can see right through
sometimes is all the time for me
