False Direction

Written By: Blair Perkins

Verse 1:

Just like a car wreck she hit me with her love
not ordinary kinda scary that fatal love
she told me where to go told me were to turn
tried to meet her half way hopefully she feels the same
way

Chorus:

your giving me false direction
We've been through this before when we gonna shut
the door
your giving me false direction
Girl you blew your cover thanks for showing me your
true colors

Verse 2:

Made a right or commitment your no where to be found
made a left on trust there lies a empty ground
head down the highway of love no traffic not crowded
its just a empty space where are you

Chorus:

your giving me false direction
We've been through this before when we gonna shut
the door
your giving me false direction
Girl you blew your cover thanks for showing me your
true colors

Bridge:

and i'm looking for this girl checking for this girl
but she no where to be found
and i'm passing up road signs as dirt flies
and i'm wasting my time because she's no where to
be found
and i'm about to through so where are you I have no
clue
i'm done with you loving i'm done i'm so over it
and i'm about to through so where are you I have no
clue

because she's no where to be found

Chorus:

your giving me false direction

We've been through this before when we gonna shut
the door

your giving me false direction

Girl you blew your cover thanks for showing me your
true colors
